ABOUT

ETHOS LABOUR COMPANY LIMITED

Duly incorporated in the Republic of Uganda in November 2021 and fully licensed with the Ministry of Gender, Labour and Social Development under No.E22110042, Ethos Labour Company Limited which set out with the idea of solving the shortage of jobs and similar problems related to unemployment soon came to the fore with its reliable services.

Whether there is need for a large workforce solution - we provide reliable, hardworking, flexible and scalable personnel for all workforce needs.

CEO Message

“At Ethos Labour Company Limited, we simplify the process of searching for workers.”

Ethos aspires to be the preferred labour recruitment and exporting agency to identify and recruit competent, skilled and reliable Ugandans to take up job opportunities in and outside Uganda.

OUR CORE VALUES

- 01 Integrity
- 02 Honesty
- 03 Time consciousness
- 04 Professionalism
- 05 Respect and safety for all humanity
- 06 Reverence to God
- 07 Efficiency and effectiveness

OUR OBJECTIVES

- 01 To source for employment opportunities globally for competent Ugandans.
- 02 To provide relevant consultancy services in the field of labour sourcing and placement
- 03 To carry out the business of a labour recruitment agency.
- 04 To conduct internal capacity building in order to deliver efficient labour recruitment services.
- 05 To support both Government and non-Government Organizations in managing youth unemployment by linking job-seekers with potential employers.

VISION

To be the preferred company of choice by all aspirants of overseas employment and international recruiters

MISSION

To be the most organized labour exporting company which continuously offers excellent recruitment services from Uganda.

OUR SERVICES

We provide solutions in - International Bulk Recruitment and Staffing Services focused on aligning our client's missions, cultures and strategic goals with exemplary candidates, work permit and resident permit consultancy services. Our experience and strong network of topclass consultants employ a high-quality, targeted and consultative approach to each assignment, enabling our clients to source top talent across industries. Our clients range from SMEs, families to global companies across Asia and the Middle East.

Before sending workers abroad, Ethos conducts a mandatory training program facilitated by a professional and highly qualified team so that the workers can learn the norms and basic traditions of the countries they will go to as well as other related work and ethical performance.
